

# WINNEBAGO COUNTY SWCD

## PARTNERS FOR CONSERVATION FUND PROGRAM

### COST-SHARE OPPORTUNITIES

*Does your business want to be more ecofriendly?*

*Do you need to control storm water at you home?*

*Do you have a big project on your farm you are trying to tackle?*

The Winnebago County Soil and Water Conservation District is offering cost-share opportunities to eligible county residents, organizations, and businesses to complete conservation project on their property. Winnebago SWCD is offering 75% cost share for eligible practices.

Popular eligible Cost-Share Projects include:

- Grassed Waterways
- Cover Crops
- Pollinator Planting
- Well Sealing
- Rain Gardens

Projects must be completed within Winnebago County. All residents, organizations and businesses are eligible to apply. Applications are available online at [www.winnebagoSWCD.org](http://www.winnebagoSWCD.org) or in our office. If you have any questions or would like more information about our cost-share program or eligible practice, please call the office or contract Katie Walsh at [kwalthswcd@comcast.net](mailto:kwalthswcd@comcast.net).
