

WINNEBAGO COUNTY SOIL & WATER CONSERVATION DISTRICT SCHOLARSHIP

The Winnebago Soil and Water Conservation District established this scholarship to help outstanding students of soil, water and related natural resources conservation to complete their education at any accredited two or four-year college or university. The amount of the scholarship will be up to \$1,000. The scholarship will be awarded prior to the fall semester of each academic year. Scholarship money may be used for tuition, books, supplies and/or other course fees. Funds will be paid directly to the institution upon written instructions from the student (one-half for each fall and spring semester). The Winnebago County SWCD reserves the right to grant the full amount of the scholarship in one payment upon request.

ELIGIBILITY

The student must be:

- A resident of Winnebago County
- An upcoming High School Graduate -or- attending an accredited College or University
- Majoring in Soil and/or Water Conservation; or a related Natural Resource field
- A full-time student who is carrying at least 12 credit hours

SELECTION CRITERIA

- The applicant should be maintaining a Grade Point Average of 3.0 (on a point scale of 4.0)
- The applicant should demonstrate superior soil and water conservation or related natural resource academic achievement.
- The successful applicant will be chosen from a balance of several important factors, including demonstrated academic achievements, community service related to conservation activities, statement of educational and career goals, and reference recommendations.
- The student must submit a copy of their latest transcript - High School and College (if applicable)
- If the student drops out of school, or changes to a major outside of the Soil and/or Water Conservation or Natural Resources fields, the full amount of the scholarship must be refunded to the Winnebago County SWCD.

SELECTION COMMITTEE

A committee selected by the Winnebago County SWCD Board will screen all applications. The committee's decision will be based solely upon the student's achievement without regard to the student's race, color, national origin, religion, sex, age, marital status, or handicap.
